

First proof of restoring insulin pulsatility

■ Type II diabetic
■ On Gluzit

Gluzit restores pulsatile insulin secretion

Ref: DIABETES, VOL. 50, AUGUST 2001

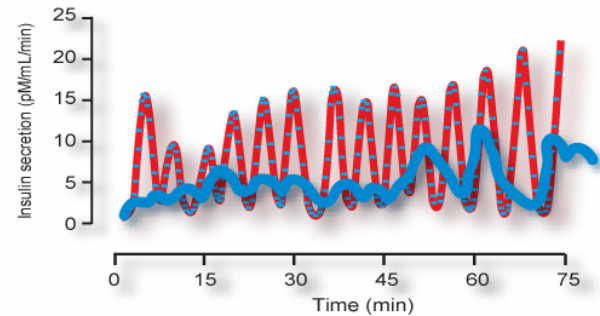

POPULAR PHARMACEUTICALS LTD.
DHAKA, BANGLADESH

GLU-0106/L-23-5000-COS

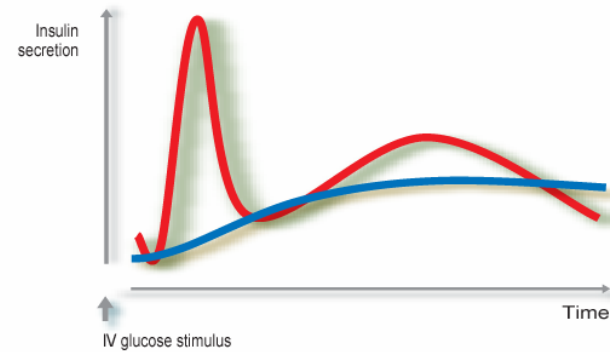

Type 2 Diabetes: Impaired insulin secretion in quality and quantity

Loss of pulsatile insulin secretion

Loss of the early peak of insulin secretion

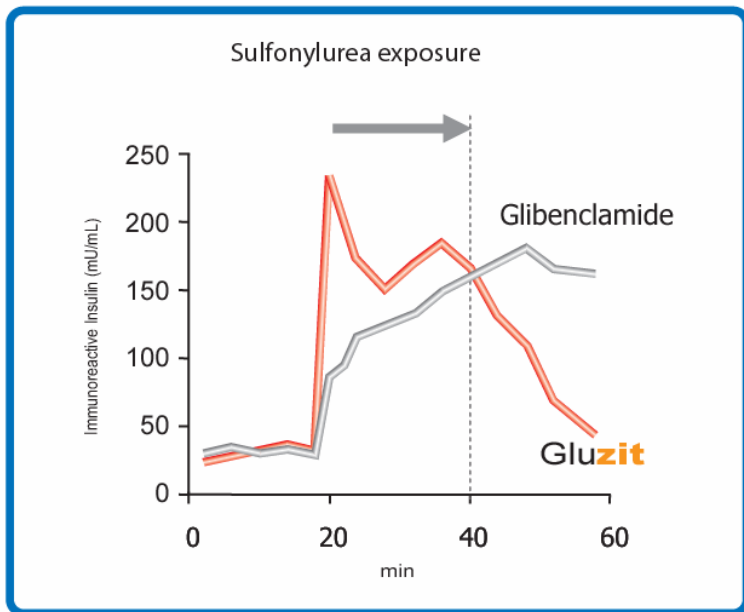

■ Type 2 diabetic ■ Non-diabetic

Ref: Gregorio F, Ambrosi F, Cristallini S, et al. Diabetes Res Clin Prac. 1992;18:197-206
Gluzit restores pulsatile insulin secretion

Addresses basic pathology of Type 2 Diabetes

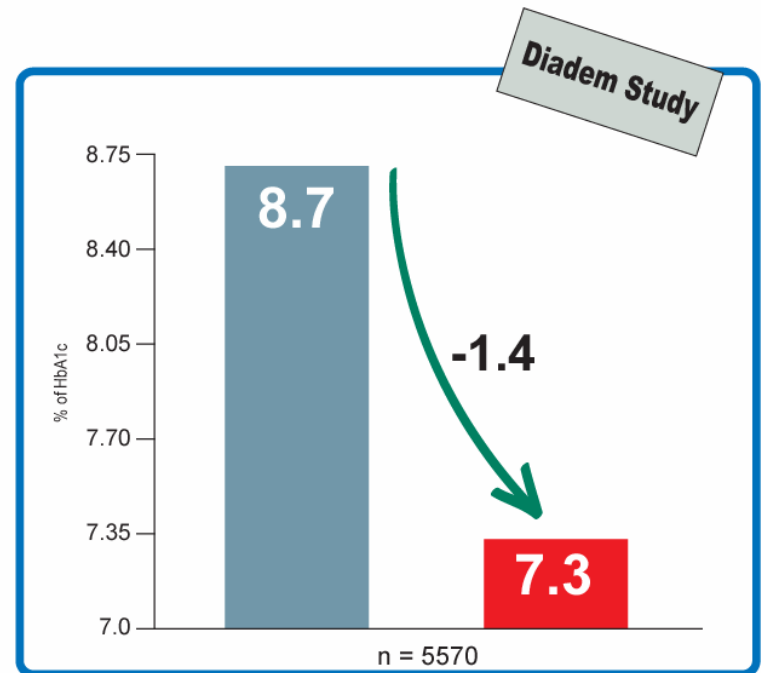

Gluzit restores physiological insulin secretion

Ref: Gregorio F Diab Res Clin Prac 1992

Ensures powerful efficacy in glucose control

Reduction of 1.4 % HbA1c

Ref: Metabolism. 1997 Dec; 46(12 Suppl 1):31-4
